June 2022 HEERF Quarterly Report

June 30, 2022

Dear Grantee,

Attached is the HEERF Quarterly Report. Please complete the report and post it to your institution's website in *pdf* and in *html* format on or **before Monday, July 11, 2022**. You are encouraged to email a copy to HEERFReporting@ed.gov and copy me Kissy.Chapman-Thaw@ed.gov.

ALL HEERF AWARDS means that ALL HEERF award funding to date is to be reported using one form. That being the form submitted should be the June 2022 HEERF Quarterly Report and it must reflect the distribution of all funds from the origination of the award and any supplements.

FINAL REPORT means that all HEERF award funds (E, F, J, K, L, M, T, Q, S, T) with \$0 (zero) balances meaning all funds have been exhausted/ expended at the end of this quarter, will be your final report.

If you have previously submitted a Final Report, be certain that it is clearly displayed on your institutions website and that the website address has been emailed to HEERFReporting@ed.gov and myself, kissylchapman-thaw@ed.gov to be placed in the grant file.

Thank you for your patience and feel free to contact me if you have any questions.
